DETAILS

The Los Angeles Chapter cordially invites you to the 1977 June Week West/Class Reunions to be held on board the QUEEN MARY, located in Long Beach Harbor - at the end of the Long Beach Freeway. This year's event will include an Alumni Assembly, two-hour cocktail party and dinner with dancing. Many locations throughout the ship have been set aside for the cocktail party and all five banquet rooms have been reserved for dinner.

The price per person is \$15.00, which includes parking, Alumni Assembly, admission to the cocktail party, roast rib of beef dinner, dance music, tax and tip. Informal dress: Coat and tie. Cash basis for drinks.

Four hotels are participating in offering a special rate for both Friday and Saturday nights. Blocks of rooms have been set aside for our reservations only through May 15. After that, we must compete with the general public on a first-come, first-served basis. So send the enclosed hotel reservation form immediately directly to the Long Beach Convention and News Bureau, which is coordinating the room reservations.

Help me get the word out by contacting all the classmates you know to be in the area. This mailing is going to all those listed on the Annapolis (Alumni Association) computer, but you may know of others not currently listed or of new arrivals in the area. Please give me their names and addresses and I will send them information.

Last year's reunion attracted over 1100. With over 5,000 alumni being contacted, this year's reunion could easily be a sellout. So make your reservations early. First come, first served!

To obtain tickets, please send payment and the enclosed dinner reservation form to me now! Cutoff date for dinner table class seating is May 31, and I will start mailing tickets and detailed information out about June 6.

Remember, hotel reservations with deposit go to the Long Beach Convention and News Bureau, dinner reservations with payment come to me.

Give me a call or drop a line if you have any questions.

Cordially,

Class Representative
June Week West '77

P.S.: Since parking adjacent to the Queen Mary is limited, I suggest those driving share the trip with others.
